Dear Parent/Guardian,

Greetings from school!

I thank God for his guidance and blessings throughout the term. I thank you also for your tireless efforts you made to make the term end well. As we have come to the end of the term, I wish to bring to your attention the following:

1. We have closed today **31.07.2018** and we shall open on **28.08.2018** for boarders (they should be in school by **4.30PM**) and day scholars on **29.08.2018**
2. We did for the first time Diocesan Exams whereby we compete among our schools within the Diocese and they did their best. Results will be out by early next term. Please ensure you check the report book of your child and return it on opening day.
3. I wish to remind those who have Fee arrears to clear before opening nevertheless I will not allow your child in next term. The rest plan yourself well so as to pay Fee during the first week of opening, Remember next term is too short. Kindly as soon as you pay especially through pay bill, forward the message to **School phone no.0701882688** only.
4. I thank all those who attended the different class meetings we had across the school. Take heed to all those issues we discussed and act upon them promptly as we also do our part as school.
5. Computer classes rolled on at the beginning of this term and we are happy that our pupils did well in their computer learning.
6. To help your child continue learning and avoid idleness during holiday, I recommend you to purchase for him/her some books called "**Thorough August holiday homework books**" which contain questions for the whole of this term. They are found in **Luphem enterprises** near Cathedral shops stall no 4. or you can call this no for more information (**0714552175**)
7. I still remind you to purchase school uniform in school and not from any other place. In regard to this, I will collect next term any uniform which was not purchased in school. **N/B** The colour of the school socks is grey striped white and not blue.
8. We have opened the school website and for more information you can check on **www.queenofpeacegirlslodwar.sc.ke**
9. Lastly take care of our pupils and please let them open school on the same day to ease our learning as next term is so short. Have a blessed holiday

Yours faithfully

Sr AGNES ROTICH
